1) In G.O no LD 3998-4010 A 219-45-21 dt 18.11.1946 sanction has been accorded for the continuance of the following rural rationing staff till the end of December 1946:-

1 clerk on Rs 40/- p.m. in each Taluk office
1 " 60/- " for work under each Food Asst.

The D.F.S states that the question of the continuance of the above staff was discussed at the meeting of the Deputy Commissioners held on 7.1.47 and that they were of the opinion that the staff may be continued till the end of June 1947. He therefore recommends sanction for the above proposal.

A) In the linked file cited, D.F.S has been asked whether extra staff is necessary in the districts in connection with the Control of Jaggery and Pulses and, if so, to submit proposals immediately.

10) The rural rationing work should have been organised & put on a working basis before the end of December 46 etc. This staff was sanctioned for a temporary period to get the ration cards written up after an enumeration of the population & classification of the rural population into 'deficit', 'self sufficient' & 'partly sufficient'. There does not seem to be any need to continue them now, unless specific reasons are given about arrears of work under rural rationing. If not idea is to keep on the staff for work etc. before distribution of pulses & sugar, a case may have to be made out in respect of each Dr. showing how the staff already employed is insufficient.

SIR,

Subject: Rural Rationing Staff - Continuance of -

Adverting to Government Order No. SD.3998-4010/A 219-45-21 dated 8th November 1946, sanctioning the continuance of Rural Rationing Staff till the end of December 1946, I have the honour to state that Deputy Commissioners of Mysore and Kadur reported, vide copies of letters No.CS 3-39-46-7 dated 2-1-47 from the Deputy Commissioner, Mysore and No. C1-C-387-46-7 dated 12-12-46 from the Deputy Commissioner, Kadur, enclosed for the information of Government that the Rural Rationing Staff sanctioned had to be continued to handle the ever increasing work in the Food branch of their respective offices. As I considered it is necessary to consult all the Deputy Commissioners before definite proposals were formulated the subject was discussed at the recent meeting of the Deputy Commissioners held on 7-1-47. The Deputy Commissioners were of opinion that the existing staff may be continued till the end of June 1947 on the grounds that the number of Rural Depots to be administered had not materially decreased and in addition the work had increased all-round due to controls relating to pulses and Jaggery.

In the circumstances I request that early sanction of Government may kindly be obtained for the continuance of Rural Rationing Staff, sanctioned in G.O.No.800-11-/A 219-45-15 dated 29th July 1946, till the end of June 1947.

I have the honour to be

He has also been entrusted now with other works relating to Civil supplies.
